Documation finalist in the Document Management Awards for the second year running!

23rd September 2008: Documation has been nominated as a finalist for the annual Document Management (DM) Awards in the Content Management Product of the Year (SME) category. The DM Awards 2008 invites the readers of Document Manager Magazine to reward the outstanding products, suppliers and projects of the year.

"The DM awards are fiercely contested and highly valued within the IT and business world," said John Wallace, CEO at Documation, "I am therefore delighted that Documation has been recognised for our achievements yet again".

The DM Awards 2008 event is being held at the Tower Hotel in London on the 23rd October. Proceedings commence with a champagne reception, followed by a three-course dinner; the prestigious black tie dinner will feature 21 award categories.

Over 250 guests from vendors, distributors and information providers, as well as trade press will attend the dinner and awards. A top comedian will host the evening's entertainment. After the awards ceremony, a DJ will provide an opportunity to dance the night away until the early hours.
