

Press Release

Documation Nominated as Finalists in Document Management Awards 2010

Eastleigh, Hampshire UK, August 2010 – Document managing and workflow software author Documation, are proud to announce that they have been listed as finalists in the Document Management Awards 2010 for the fourth year running. Documation's document management and workflow platform, Enable, has been nominated in 11 categories, whilst Documation as an organisation have been nominated in 3.

The winners will be announced at an award ceremony on 14th October at the Tower Guoman Hotel in London. Documation have been nominated in the following categories:

- Document Manager Company of the Year
- Channel Partner of the Year
- Compliance Product of the Year
- Content Management – Enterprise
- Content Management – Enterprise
- Content Management SOHO
- Document Management Product of the Year
- Email Product of the year
- Environmental Product of the Year
- Records Management Product of the Year
- Software Product of the Year
- Storage Product of the Year (Sponsored by Storage Magazine)
- Website of the Year: <http://www.documation.co.uk>
- Workflow/BPM product of the Year

Commenting on the award nominations, Steve Pittaway, Commercial Manager of Documation said "Being nominated in so many categories reflects the versatile and flexible nature of our Enable platform. We are able to offer our customers a range of document management and workflow solutions to help automate many departments and business processes. Our customers use Enable to automate everything from their accounts payable department to their HR department to their mailroom. We're proud of the service we're able to offer our customers and are extremely happy to have been recognised in this way for our achievements."
