

Press Release

Tweet Tweet: Documation Joins Popular Micro-Blogging Platform Twitter

Eastleigh, Hampshire UK, 23rd July 2009 – Documation, an awarding winning provider of document management and workflow solutions has ventured into the growing world of social networking by creating a profile on the popular micro-blogging site, Twitter.

“Communication is crucial to maintaining close relationships with customers and partners. With the ability to post up to the minute news, musings, accomplishments and other updates, it has never been easier to maintain this contact” Victoria Walmsley, Marketing Executive at Documation said: “Twitter is a fantastic engagement tool, and we look forward to forging relationships with other companies and individuals through our tweets.”

Documation sees Twitter as the ideal way of connecting with potential clients and partners to quickly inform them of any company activities. “It is a fantastically easy way to keep in touch with clients; it’s also brilliant to be embracing web 2.0 technologies like this. Documation is ready to join the conversation!”

If you have a Twitter account and would like to get the latest news, updates and offers from Documation, please go to twitter.com/Documation to start following.
