Documation awarded UKOUG PeopleSoft Partner of the Year 2008

20th October 2008: Documation were awarded UKOUG PeopleSoft Partner of the Year 2008 at the UKOUG Partner Award ceremony in London last week. The awards are a global first in being an Oracle Partner awards event voted for by customers. Documation were also named runner up in the Technology Partner of the Year category and were the only document management company to be recognised in the awards.

Andy Watters, Channel Manager for Documation reflected on the achievement, “Documation is delighted that customers have chosen us for this award. We are so pleased that our effort to develop innovative and effective integration of our invoice management solutions with PeopleSoft, E-Business and JDE has been recognised. We look forward to continuing our partnership with the UKOUG, and establishing Documation as the leading provider of invoice management processing solutions for Oracle.”

The UKOUG Partner of the Year awards were voted on by over 1,000 Oracle users across 20 categories, and recognised those organisations that the community believes has best supported users over the past 12 months.

The award winners will also be recognised and promoted at the annual UKOUG Conference & Exhibition, held at the ICC, Birmingham, from 1st – 5th December, 2008. Documation can be found on stand 68 throughout the four days of supplier exhibitions and also have secured speaking slots at both the JD Edwards Conference on the 4th November, and the PeopleSoft Conference 4th December.
